4. What is the having taken up of the eighteen internal all-encompassing craving? When there is “I am”, O bhikkhus, “I am such” comes to be, “I am thus comes to be, I am otherwise” comes to be, “I am bad” comes to be, “I am good” comes to be, ‘is’ comes to be, is such comes to be, is thus comes to be, is otherwise comes to be, might be comes to be, might be such comes to be,

This, O bhikkhus, is said to be the thirty six all-encompassing craving. Thus, the past thirty six all-emcompassing craving, the future thirty six all-emcompassing craving, the present thirty six all-emcompassing craving, of such form is the hundred and eight all-encompassing craving.
