

### 0.0.1 From something pleasurable

1. This is impossible, O bhikkhus, there is no chance, in that an individual excelling in [noble right] view could take on any sankhara [as being] from [something] pleasurable, this possibility is not to be found. But this very possibility, O bhikkhus, is to be found, in that a puthujjana could take on some sankhara [as being] from [something] pleasurable. This possibility is to be found.
