

0.0.1 From a self

1. This is impossible, O bhikkhus, there is no chance, in that an individual excelling in [noble right] view could take on any dhamma [as being] from [some kind of] self. This possibility is not to be found. But this very possibility, O bhikkhus, is to be found, in that a puthujjana could take on some dhamma [as being] from [some kind of] self. This possibility is to be found.
