

### 0.0.1 Destruction

1. Whichever path, O bhikkhus, whichever treading leads to the destruction of thirsting, that path, that treading you must develop. But what path, O bhikkhus, what treading leads to the destruction of thirsting? That is the seven factors of awakening. Which seven? The mindfulness awakening factor, the investigation of dhammas awakening factor, the energy awakening factor, the happiness awakening factor, the tranquility awakening factor, the samadhi awakening factor, the equanimity awakening factor. When thus was said, the venerable Udayi said this to the Auspicious One: “How, O Bhante, are the seven awakening factors developed and made habitual in order to lead to the destruction of thirsting?”

2. “Here, O Udayi, a bhikkhu nurtures the mindfulness awakening factor into maturation in dependence on seclusion, in dependence on fading away, in dependence on cessation, maturing in relinquishment, abundant, exalted, immeasurable, free from affliction. For him nurturing the mindfulness awakening factor into maturation in dependence on seclusion, in dependence on fading away, in dependence on cessation, maturing in relinquishment, abundant, exalted, immeasurable, free from affliction, there is the abandoning of thirsting. With the abandoning of thirsting, there is the abandoning of kamma. With the abandoning of kamma, there is the abandoning of suffering. Thus, O Udayi, from the destruction of thirsting comes the destruction of kamma.
