yonisosuttam

1. “This, O bhikkhus, is the forerunner, this is the fore sign for the arising of the sun, that is, the end of dawn. So too, O bhikkhus, this is the forerunner, this is the fore sign of a bhikkhu’s arising of the noble eight-fold path, that is, accomplishment in attention to the root source. For a bhikkhu accomplished in attention to the root source, O bhikkhus, it is to be expected that he will nurture into maturation the noble eight-fold path, that he will make abundant the noble eight-fold path.”
