875. What is the source of contact in the world,
and also from where [comes] possessiveness?
When what is not does mine-ness not exist?
From the unbeing of what do touches not touch?

876. Name and form precedes contact.
Possessiveness springs from desire,
desire not being, mine-ness does not come to
be.
From the unbeing of form, touches don't touch.

877. How has one attained to the unbeing of
form,
or even pleasure and pain, how do they unbecome?
Do declare this to me how they unbecome,
let us know that, thus was my thought.

878. Not percipient of perception, not percipient
of abnormal perception
also not non-percipient, not devoid of being
percipient.
For one attained thus, there is the unbeing of
form;
because taking subjective elaborations into account,
have perception as their source.
