

0.0.1 Upavana

upavānasuttam

1. At one time the venerable Upavana and the venerable Sariputta were living in Kosambi at Ghosita's park. Then in the evening time, the venerable Sariputta emerged from seclusion and visited with the venerable Upavana. Upon arrival, he exchanged friendly greetings with the venerable Upavana. Having exchanged friendly greetings and cordial talk, he sat down to one side. Having sat down to one side, the venerable Sariputta said this to the venerable Upavana.

ekam samayaṃ āyasmā ca upavāno āyasmā ca sārīputto kosambiyaṃ viharanti ghositārāme. atha kho āyasmā sārīputto sāyanhasamayaṃ paṭisalānā vuṭṭhito yenāyasmā upavāno tenupasaṅkami. upasaṅkamitvā āyasmatā upavānena saddhiṃ sammodi. sammedanīyaṃ kathaṃ sārāṇīyaṃ vītisāretvā ekamantaṃ nisīdi. ekamantaṃ nisinno kho āyasmā sārīputto āyasmantaṃ upavānaṃ etadavoca:

2. From attending to the root source, O friend Upavana, could a bhikkhu understand for himself thus: "The seven awakening factors, [having been] thoroughly undertaken by me, lead to a pleasant abiding?"

satta bojjhaṅgā phāsuvihārāya saṃvattantīti.

3. From attending to the root source, O friend Sariputta, a bhikkhu can understand for himself thus: “The seven awakening factors, [having been] thoroughly undertaken by me, lead to a pleasant abiding?” Arousing the mindfulness awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the investigation of dhammas awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the energy awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the happiness awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thor-

oughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the tranquility awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the samadhi awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.” Arousing the equanimity awakening factor, O friend, a bhikkhu wisely understands: “My mind is well liberated. My sluggishness and lack of mental agility are well uprooted. My restlessness and remorse are thoroughly removed. My energy is aroused and I attend [to the root source] wholly engaged, not sluggishly.”
