

0.0.1 Simile of the Mountain 3

tatīyapabbatūpamasuttaṃ

0. At Savatthi

sāvatthiyaṃ

1. Suppose, O bhikkhus, a man were to place down seven pebbles the size of mung beans near Sineru, the king of mountains. “So what do you think, O bhikkhus, which is more? The seven pebbles the size of mung beans that is placed down or Sineru, the king of mountains?”

seyyathāpi bhikkhave, puriso sinerussa pabbatarājassa satta muggamattiyo pāsāṇasakkharā upanikkhipeyya. taṃ kimmaññaṃ bhikkhave, katamaṃ nu kho bahutaraṃ yā vā satta muggamattiyo pāsāṇasakkharā upanikkhittā, yo vā sineru pabbatarājā'ti?

2. “This, O Bhante, is clearly more, namely Sineru, the king of mountains. The seven pebbles the size of mung beans that is placed down is insignificant. In comparison with Sineru, they king of mountains, the seven pebbles the size of mung beans that is placed down do not even approach a hundredth part, nor a thousandth part, nor a hundred-thousandth part.”

etadeva bhante, bahutaraṃ yadidaṃ sineru pabbatarājā. appamattikā satta muggamattiyo pāsāṇasakkharā upanikkhattā. neva satimaṃ kamaṃ upenti, na sahasimaṃ kamaṃ upenti, na satasahassimaṃ kamaṃ upenti, sineruṃ pabbatarājānaṃ upanidhāya satta muggamattiyo pāsāṇasakkharā upanikkhattā'ti.

3. “It is just so, O bhikkhus, for the attainment of the noble disciple, for the one accomplished in view. In comparison to the attainments of the samanas, brahmanas and wanderers of other standpoints, they do not even approach a hundredth part, nor a thousandth part, nor a hundred-thousandth part. So great, O bhikkhus, is the attainment of the one accomplished in view, so great is his supreme knowledge.”

evameva kho bhikkhave ariyasāvakassa diṭṭhisampannassa puggalassa adhigamaṃ upanidhāya aññatitthiyasamaṇabrāhmaṇaparibbājakānaṃ adhigamo. neva satimaṃ kamaṃ upeti, na sahasimaṃ kamaṃ upeti, na satasahassimaṃ kamaṃ upeti. evaṃ mahādhigamo bhikkhave, diṭṭhisampanno puggalo evaṃ mahābhiñño'ti.
