1. Thus was heard by me. At one time the Auspicious One was wandering on tour among the kosalanans with a large Sangha of bhikkhus. Then the Auspicious One, having gone aside from the path at a certain spot, displayed a smile. Then of the venerable Ananda, this occurred: “What is the cause? What is the reason for the Auspicious One’s displaying of a smile? Tathagatas do not display a smile without a cause.” Then the venerable Ananda, having arranged his robe on one shoulder, having stretched out his hands in anjali towards the Auspicious One, said this to the Auspicious One: “What, O Bhante, is the cause? What is the reason for the Auspicious One’s displaying of a smile? Tathagatas do not display a smile without a cause.”
